

Automated Tool-Room Inventory Management (ATIM)  
Badge Reader Information Form

The ATIM machines are compatible with most employee electronic badge readers. If you intend to use your employee ID badges, please complete this form and return it to us. We will contact the badge reader supplier for technical information that we need to integrate the reader to your ATIM machines. Please be sure to include your signature to authorize the technical information release.

Your Name: \_\_\_\_\_

Your Company Name: \_\_\_\_\_

Badge Type: \_\_\_\_\_  
(mag stripe card, key fob, RF ID tag, etc.)

Person In Your Company who Issues Badges:

Name: \_\_\_\_\_
